PROPOSAL

REF: STATE 23826

11. (C) We delivered reftel points to Bora Kerimoglu, Chief of Section, MFA Department of Arms Control and Disarmament, and urged GOT support for the U.S. proposal on Modifications to UAV/Cruise Missile Criteria at the Oslo MTCR Technical Experts Meeting. Kerimoglu told us on March 8 that Ministry of Defense experts were still studying the proposal, but that Turkey would not object to it in Oslo. Turkey will be represented at the Oslo TEM by Tugrul Tinaztepe, a Ministry of Defense engineer assigned to Roketsan, Turkey's national missile research and production company.
